

# Welcome to Victor's House

## Instructions to access apartment "La Marinella"

When You arrive at the main door of the building: Corso Italia n. 176 Sant'Agnello, please send me an SMS or a message on Whatsapp and I will open the main door. When you enter the building, on the right there are the post boxes. On the front of one of the post boxes: Victor's House, you will see a combination lock. Turn the dials and put in 1/7/1. Open the post box and inside you will find the remot control for the garage. The key to the front door and the electromagnetic swipe card to open the door of your apartment. Then take the lift to the 3rd floor and turn right, there is the apartment number 16: LA MARINELLA of VICTOR'S HOUSE. Place the card onto the card reader (see the pictures on page 3). You will hear a beep and the card reader changes to green, you can push the door. As soon as you enter, take the electromagnetic swipe card and place it in the card reader that you will find on the wall, by the main door, on the right. By doing this you will activate the electrical supply of the apartment. Then to park, you have to go to Corso Italia n.176 (I sent you the position on Whatsapp). Here there is a bar that you will open with the remote control, so You can enter in the garage. The light will automatically open and in your car always turns right. Your garage is the last, on the door is written the number 1 in red (see the pictures on page 3). You can open the door with the same remote control. In the garage, in front of your door, there is a corridor and on the left the elevator. Take the elevator and you tap zero and you arrive at the entrance to Corso Italia n.176 . On the table there is our business card and the password to the WiFi. Then there are other useful information for your stay .
